Dear Alumni members,

I studied at St. Louis Institute for the Deaf and we were the first SSLC graduating class in the school, in 1977. After I passed SSLC, I went to USA for college in 1978. During my last trip to India in 2016, I visited St. Louis school and also LFC, which was right after the flooding in that region. It seemed both schools were ok.

I cannot believe that St. Louis campus had been improvement for higher education and expand building for the Deaf college. I am really proud of being SLDAA member and supporter of St. Louis Alumni Association. I recommend inviting college students also to get involved in SLDAA as Executives and memberships if bylaw/SDLAA revised.

Wish all successful next election.
Thank you.

WHAT IS THE MEANING OF THE WORD 'ALUMNI'

ALUMNI can both High School or a graduate of school or University or a former associate. Alumni organisations are one of the strongest ways that colleges keep in touch with former students and raise money.
